# RESPONSIBLE TRAVEL AND YOUNITE FOUNDATION

## RESPONSIBLE TRAVEL

Our core aim throughout all our trips is that YOU meet and work with the communities you visit. This may be through volunteering, taking part in workshops or just engaging with the local community and embracing their culture. It is important that our trips promote responsible tourism and that any projects we are involved in are already established projects. We are then able to help these projects become more sustainable. We have close relationships with our partner projects and have seen first-hand the difference our groups and travellers can make to their community and their economy.

CHECK OUT OUR WEBSITE [WWW.YTAUK.COM](http://WWW.YTAUK.COM) FOR MORE INFORMATION.

## IN PARTNERSHIP WITH YOUNITE FOUNDATION

YTA work in partnership with Younite Foundation, a charity that enables life changing opportunities for young people. Whilst you are busy saving and fundraising for your adventure, Younite raises money directly for the projects we support abroad as well as local projects in our home town, Swindon. By being in partnership with the charity we ensure we are making a lasting impact! In 2017 we raised over £40,000 for some incredible community based projects.
