IT'S NOT THE DESTINATION
... BUT THE JOURNEY

WE SHOUT IT FROM THE ROOF TOPS ABOUT HOW AMAZING WE ARE, BUT DON'T JUST TAKE OUR WORD FOR IT.....

"It has given me the confidence to travel the world, to not be intimidated by trying new things with new friends, and meeting people from the local communities as well as trying local cuisine."

Natan James - University Student at HEC Montreal

"India was such a fulfilling experience filled with exciting adventures and discovering new cultures. It was extremely eye opening to see how they live and how they get on with everyday life, in contrast to how people in England live and survive."

Steph Walley - Early Years Child Practitioner

"If you want to do it properly, do it with YTA! Breath taking views of the Himalayas at 4000metres, completing my bucket list of visiting the Taj Mahal, seeing a family of elephants in the wild, white-water rafting down the River Ganges, engaging with local communities and creating memories that will last a lifetime."

Johnny Compton - Fire Fighter

WHAT WE CAN OFFER YOU

WE WILL SUPPORT YOU FROM DAY ONE

From your initial enquiry to travelling on your trip we will be with you every step of the way.

THE TREK!

In our opinion this is one of the highlights of the trip. A beautiful trek through the Himalayan foothills starting in Sari village passing by Lake Deorital, Chopta and ending at Chandrashilla Top 4000m above sea level. A challenge but one accessible to all with a moderate fitness level.

EXPLORING THE WONDER OF INDIA

On this trip YTA give you the chance to explore 'The Yoga Capital of the World' Rishikesh. Go white water rafting down the River Ganges, the perfect experience for the thrill seekers. A day at the Raja Ji National Park and of course no visit to india is complete without a trip to see the Taj Mahal.

RESPONSIBLE TRAVEL AND YOUNITE FOUNDATION

RESPONSIBLE TRAVEL

Our core aim throughout all our trips is that YOU meet and work with the communities you visit. This may be through volunteering, taking part in workshops or just engaging with the local community and embracing their culture. It is important that our trips promote responsible tourism and that any projects we are involved in are already established projects. We are then able to help these projects become more sustainable. We have close relationships with our partner projects and have seen first-hand the difference our groups and travellers can make to their community and their economy.

CHECK OUT OUR WEBSITE WWW.YTAUK.COM FOR MORE INFORMATION.

YTA IN PARTNERSHIP WITH YOUNITE FOUNDATION

YTA work in partnership with Younite Foundation, a charity that enables life changing opportunities for young people. Whilst you are busy saving and fundraising for your adventure, Younite raises money directly for the projects we support abroad as well as local projects in our home town, Swindon. By being in partnership with the charity we ensure we are making a lasting impact! In 2017 we raised over £40,000 for some incredible community based projects.
